Technically required

Required web technologies and cookies make our website technically accessible to and usable for you. This applies to essential base functionalities such as navigation on the website, correct display in your internet browser or requesting your consent. Without these web technologies and cookies our website does not work.

Analysis and statistics

We want to constantly improve the user-friendliness and performance of our websites. For this reason, we use analysis technologies (including cookies) which pseudonymously measure and evaluate which functions and content of our websites are used, how and how often. On this basis, we can improve our websites for the users.

Comfort

We want to improve the user-friendliness of our websites for you. For this reason, we use web technologies (also cookies) in order to store settings selected by you and to show selected content on the basis of your usage behaviour.

Marketing

We use web technologies (also cookies) from selected partners in order to be able to show you content and advertising specially tailored to you on websites and social media sites. This content is selected and displayed on the basis of your usage behaviour.
